**NOTICE REGARDING INSURANCE CLAIMS/PAYMENTS:** If we are filing insurance for your visit, we must have complete information and any required referral at the time of the visit. If you cannot provide the information, we will be unable to file your insurance, and payment in full will be required.

Insurance payment for the services rendered cannot be determined until the claim is submitted to your insurance company. Payment will be based on your individual health plan, and the amount applied to your plan deductible and/or coinsurance will be your responsibility. Procedures which are excluded from coverage, based on your plan's determination of medical necessity, will also be your responsibility. Your office visit co-pay is due at the time of the visit and, in many cases, covers only the office visit charge. Any procedures performed will be considered surgery by your insurance company, and deductibles and coinsurance may apply.

For all other patients, payment is required at the time of service. We will provide you with the necessary documentation to file for reimbursement upon your request.

**I have read the above information and understand that I am responsible for payment for services I receive.**

**AVISO CON RESPETO A LOS RECLAMOS / FACTURAS / PAGOS DE COMPAÑÍA DE SEGURO:** Si vamos a remitir su factura al seguro necesitamos que nos de toda la información necesaria, incluyendo la renitencia de su médico de cabecera cuando el seguro lo requiere. Si usted no puede proveer toda la información requerida/necesaria no podremos remitir la factura al seguro, y usted será responsable de cubrir el costo completo de los servicios que se le rendirán.

Nosotros no podemos determinar cuánto pagara su seguro por los servicios rendidos después de que se remita la factura al seguro. La cantidad que su seguro pagara dependerá en el plan de seguro médico, y la cantidad que se aplicara al deducible, y/o el pago compartido son la responsabilidad del paciente. El copago por su consulta médica es requerido al llegar a su cita. En ocasiones el copago solo cubre el costo de la consulta y su seguro puede considerar los servicios o procedimientos en adición a la consulta servicios quirúrgicos los cuales frecuentemente requieren deducibles y/o pago compartido.

Si no aceptamos su seguro médico, o no tiene cobertura de seguro, se requiere el pago inmediato por los servicios rendidos. Nosotros le podemos dar la documentación necesaria para que usted archive un reclamo con su seguro.

**Yo he leído y entiendo el aviso con respeto a los reclamos / facturas / pagos de compañía de seguro y entiendo que es mi responsabilidad pagar por los servicios rendidos.**

OFFICE POLICIES NOTICE & AGREEMENT			
APPT DATE		ACCT NO.	
NAME		DOB	

- Appointment Cancellations/No Shows:** This office sees a high volume of patients, to ensure that everyone receives the most prompt and courteous care available; please call us if you cannot keep your appointment time, so that it may be offered to another patient. In the event that a patient fails to show up for their appointment without notifying us, a **\$25 charge** will be added to their account balance. Our staff makes every attempt to maintain the schedule and flow of patients. However, due to the nature of our business, circumstances may arise resulting in longer wait times than expected. Unfortunately, due to this, we cannot be held responsible for time lost during the wait. We apologize in advance for any inconvenience.
- Payment for Services:** Payment is due at the time services are rendered. We will file claims to your insurance as a courtesy to you; however the balance accrued is ultimately your individual responsibility.
- Work Statements:** Occasionally, it is necessary to provide a patient's employer with a statement regarding work. Physicians not only have ethical responsibilities with such matters but legal liabilities as well. In this event, a statement specific to the patient's condition is administered defining their **limitations**. It is the employer's responsibility to provide a position accommodating these limitations or determine if such a position is unavailable. Dr. Hamidian cannot write a statement removing a patient from work unless the patient is totally incapacitated, which is rarely indicated.
- Pain Medication:** In the best interest of his patients, Dr. Hamidian strictly monitors the usage of narcotic pain medication in his practice. Pain medication is intended for **temporary** relief of symptoms. It is the primary goal of Dr. Hamidian to offer superior care to his patients. Therefore, his treatment is aimed toward the long term correction of an affecting condition. While situations do arise that necessitate pain medication, these types of drugs are very dangerous and can result in chemical dependency.
- Paperwork Fees:** In compliance with the laws of the State of Alabama, our fees for medical records include a **\$5.00** retrieval fee as well as the following:
  - Paper medical records: **\$1.00** per page
  - Digital copies of X-Rays on CD-ROM: **\$10.00**

In addition, the completion of employment/insurance documents requires a charge of **\$10.00 per page**. Our office is very busy meeting the needs of all patients; therefore it is not unusual for these requests to take 3-5 business days for completion.

Please sign below stating that you have read and do understand this agreement.
